Effective Date: April 29, 2005

Lessee, named above, is the present owner of Oil and Gas Lease (the "Lease") from Lessor, named above, in favor of Devon Energy Production Company, L.P. dated July 12, 2008, as evidenced in that certain Oil, Gas and Mineral Lease recorded in Instrument Number D-208297571 of the Official Public Records of the county and state named above. The Lease covers the following lands (the "Lands") located in that county and state:

2.5001 acres of land, more or less, being part of the John Hibbins Survey, A-639, Tarrant County, Texas and being the same land described in that certain Special Warranty Deed with Vendor's Lien dated April 21, 2005 from Wells Fargo Bank National Association of Trustee, to John J. WHEREAS, Mortgage Electronic Registration System, Inc., (herein called "Lienholder") is the record owner and holder of a certain promissory note (herein called the "Lien") against said Lands as provided in that certain Deed of Trust dated 29th day of April, 2005, and recorded in Instrument Number D205129281, of the Official Public Records of Tarrant County, Texas.

Lienholder agrees that the Lease shall have the same validity, priority, and effect as if executed, delivered, and recorded prior to the effective date of the Lien; provided, however, nothing in this subordination shall operate to alter in any way, change, or modify the terms and conditions of the Lien or in any way release or affect the validity or priority of Lienholder's liens on the Lands, except as provided above.

Regardless of any provisions which may be contained in said Lien, granting Lienholder or its successors and assigns an interest in or right to receive any bonus, rentals, royalties, or other payments which may be payable under the terms of the Lease, Lienholder expressly authorizes and directs that all bonus, rentals, royalties, and other payments provided for in the Lease are to be paid to Lessor, or Lessor's successors in interest, in accordance with the terms of the Lease, and any

amendments or revisions to the Lease. This authorization and direction (but not the subordination) may be revoked by Lienholder by providing written notice of revocation to the Lessor or the payor of proceeds from sales of oil and/or gas from the Lease and Lands, or any other payments due Lessor.
